### **Wood Stone Corporation Announces Title Changes**

Bellingham, WA, October 10, 2005 – Wood Stone Corporation announces title changes in an effort to reflect changing job responsibilities.

Keith W. Carpenter, veteran V.P. of Sales and Marketing will now have the title V.P. Emeritus. While his business card will say “Emeritus”, it is not entirely true that Keith senior is retired. He continues to maintain and grow the relationships that he has built over his 37 years of involvement in the food service industry, along with participating at various industry events.

Kurt Eickmeyer, former V. P. of Client Relations will take over the title of V.P. of Sales and Marketing. Kurt is a 10 year member of the Wood Stone sales team who, among his other duties, also oversees trade shows. Kurt brings a background in ceramic engineering that has proven beneficial to Wood Stone in the continuing advancement of their products.

“The change of titles appropriately aligns and accurately reflects the scope of their responsibilities to Wood Stone” says Keith R. Carpenter, Wood Stone's President. “As Wood Stone grows there will continue to be shifts in responsibilities to draw on people’s strengths and talents.”
